

## Investing in Young People

*Making grants to support disadvantaged young people living at the margins of society; with the aim of improving their skills, building their confidence and resilience and supporting their transition into independence.*

This programme will build on the success of the Trust's recent 'Young People with Poverty of Opportunity' grants programme by investing in organisations that put the needs of disadvantaged young people at the heart of what they do.

The Trustees believe that every young person should have the opportunity to meet his or her full potential. Too many face huge barriers and although they may have the same aspirations as their peers, many are deprived of opportunity. The reasons can be numerous and complex including: insecure housing; mental and physical ill health; caring responsibilities; substance misuse; homelessness; criminal convictions and being a care leaver.

The Trust is interested to hear from organisations in Kent working with:

- disengaged, disadvantaged and/or vulnerable young people aged 14-25
- young people in or leaving care aged 14-25
- young offenders and those at risk of offending aged 14-25
- unemployed young people - aged 16-25, not in education, training or employment (NEETS)

### Level of funding available

Organisations can apply for a one-off or multi-year grant. Ideally, requests for a multi-year grant should taper downwards each year. There is no minimum or maximum grant size for this programme, but applicants should be aware that large grant requests are ***significantly*** less likely to be approved and take considerably longer to process.

**Please note** - the total grant cannot be greater than 50% of your most recent annual turnover.

### Extra priority

Extra priority will be given to groups that:

- work in a particularly disadvantaged or deprived area
- have limited access to other sources of income
- clearly define the need they are addressing
- clearly demonstrate the benefit to young people
- demonstrate a commitment to service user involvement
- can demonstrate partnership working
- offer matched funding opportunities.

### Eligibility criteria

- Organisations must be a registered charity, CIC, social enterprise or other properly constituted not-for-profit organisation<sup>1</sup> with a management committee with at least three unrelated members
- Organisations must be working to benefit young people living in Kent. Please note Greater London boroughs, previously within Kent are not eligible
- Funding **will not** be allocated for **core costs of an existing service** unless this will unlock new opportunities or extend the service in some way.
- Organisations **must** be able to provide at least two years of published financial accounts
- Grants can be paid only into a UK bank account in the organisation's name.

### Exclusions

We regret that ordinarily we are not able to fund:

- Individuals - unless they are made as part of our 'Hardship Awards' Programme
- National charities that do not have a physical base in Kent
- Statutory bodies and anything deemed to be the responsibility of the State
- Nurseries, schools and colleges
- Hospitals and health authorities
- Medical care, medical equipment or medical research
- Academic research, scholarships or bursaries
- Animal charities
- The promotion of religion
- The restoration or conservation of buildings
- Annual or one-off events and festivals
- Work outside of Kent
- Endowment appeals
- Work that has already taken place i.e. retrospective funding
- Round-robin, widely circulated appeals

<sup>1</sup> You will be expected to demonstrate your not-for-profit tax status in your application.

## How to Apply

All applications **must be submitted** using the Trust's online application form. Applications by email will not be accepted. There are no deadlines and decisions are made on a rolling basis. Applicants are advised to download a copy of the application form questions and prepare their answers in advance in Word, as they will be able to cut and paste these into the online form.

Please note that you will be asked to provide:

- your published accounts for the two most recent financial years
- a budget in Excel or as a Word table, showing specifically what the grant would pay for
- your organisation's safe guarding policy.
- If you are not a registered charity, evidence of your not-for-profit tax status *e.g. a copy of your constitution and asset lock if applicable*

## Decisions

We aim to inform applicants as soon as possible about the outcome of their application, but this usually takes between four and six months. Very large applications may take longer.

Unfortunately, the Trust receives many more applications than it can fund and therefore many good proposals will be turned down. The trustees and their staff regret that they are not able to enter into correspondence about the reasons for Trustees' decisions.
