YOUR ORGANISATION'S FINANCES

Use figures from your most recently published annual accounts.

- Briefly explain your organisation's current financial position* *Maximum 100 words*
- Total annual income £
- Total annual expenditure £
- Free cash reserves £

If your organisation has free cash reserves which could cover the amount you are requesting in grant support, we need to know why you will not be covering the cost from these reserves. There may be very good reasons, for example, you may be saving for a future project or have a policy to hold a minimum amount in your free reserves.

- If you have free cash reserves above the amount you are applying for, tell us why you need the grant *Maximum 100 words*
- Has your organisation reported an operating deficit in the last two years or is an operating deficit predicted this year?
- Approximately, what percentage of your income is derived from statutory sources? (E.g. local authority, government, council.)
- Does your organisation pay all employed staff the Living Wage? *Your answer to this question will not affect our decision*
- *If you feel your answers do not provide a clear and accurate picture of your current financial situation, explain this in your answer to the next question.*
- Please use this space to make any additional comments about your organisation's financial situation *(Maximum 100 words)*

BANK DETAILS

You must supply your bank details and later you will be asked to upload a scan or photograph of a bank statement or paying in slip as evidence.

If your application is not successful this information will be deleted from our system.

- Name of bank*
- Account name*
- Sort code*
- Account number*

APPLICATION DETAILS

This section refers to the activities or costs you are asking us to fund.

*Your answers to the next two questions should enable us to visualise what your organisation is trying to achieve. The **application title** should be succinct and clear. The **purpose of funding** should explain what is needed and why you are well-placed to provide it. If you are applying for core/revenue funding, please tell us your longer term plan for financial sustainability.*

- Application title: please provide a one sentence application title* *(Maximum 10 words)*
- Purpose of funding: please explain how much you are requesting from us and what you will use this funding for* *(Maximum 250 words)*

Please provide three intended outcomes:

*We understand that your planned work/activities may be the first stage of a longer journey and that because of this, it can be difficult to identify the eventual outcomes for your beneficiaries. However, we ask you to identify three **measurable** outcomes.*

For example, these could be: to increase the number of young people securing college places; to increase the number of beds available in the shelter; to double the footfall at the food bank; to secure a new premises; to increase the number of mentoring sessions that can be provided...

- Outcome 1* *(Maximum 15 words)*
- Outcome 2* *(Maximum 15 words)*
- Outcome 3* *(Maximum 15 words)*

In the next question please only count direct beneficiaries. We appreciate that your work may ultimately have wider reach, but please be assured that we value quality over quantity.

- How many people do you expect to benefit directly from our grant?* *(Numbers only please)*

- Which age group of people would benefit from our grant? (You can select multiple categories)*
- Which age group of people would benefit from our grant? (*You can select multiple categories*)
